

Comprehension

Read the passage carefully. Answer the question.

Different types of houses are built in different regions. In Kashmir, many houses are made of stone. The stones are put on top of each other. The walls are covered with mud. In Karnataka, a type of house is 'Guthu Mane'. It is square in shape. It has slopping roofs. It looks like a temple from outside. In Sikkim, houses are made of bamboo. These houses are known as 'Ikra'. In Rajasthan, houses are made of mud. They have thick walls. Thick walls keep the heat away. These houses have flat roofs.
